Testimonials

"I have known Don for over twenty-five years. He is a godly man who wins souls and preaches biblical, evangelistic messages. He has a gift for "drawing the net during the invitation without resorting to manipulation or scare tactics. He has served as a pastor and also as a state evangelism director. Our people enjoyed his message at our church. You will be blessed by his ministry as well. I recommend him to all pastors and denominational servants. In this "seeker sensitive", say-nothing, do-nothing age of compromise, Don is a breath of fresh air!"

"We are living in a day where pure evangelists are hard to find. One of the tragedies of our day, also, is the shortage of soul-winning meetings. God has called Dr. Don Whitt into this ministry. I know him well and have worked with him often. I have no hesitancy to not only recommend him, but to urge you to have such a meeting and use Dr. Whitt."

"We are blessed that God has called Don Whitt into full-time evangelism. Don is a gifted and anointed preacher. He will preach creative messages that will captivate the hearts and minds of your people. Most of all, Don is a harvest evangelist whom God has uniquely equipped to "draw the net". Doubtless, you will see dynamic results when he comes to your church."

Don Whitt has the gift of evangelism. First Baptist, Millington experienced one of our greatest revivals when Don was our evangelist. His experience as pastor gives him the insight of a church and how to help the pastor. He will help build unity of pastor and people to make the church stronger. The members will be fed on the word of God and lost people will hear a plain gospel presentation of salvation. The entire church family of young and old will relate to his love, care, and spiritual messages. You will be blessed to have Don Whitt for your revival or a one-day special event."

"Don Whitt is an extremely effective evangelist with an unbelievable heart for lost people. He has a unique ability, not only in preaching the Gospel, but especially in drawing the net both in the local churches he pastored as well as in revival meetings. Sunday after Sunday, he always gleans a harvest because of the blessing of God on his ministry. I recommend him wholeheartedly and without any reservation to all of my pastor brothers."
