### YOU CAN BANK ON JESUS

**I WANT TO ASK YOU A QUESTION, WHERE DO YOU BANK?** Where have you invested your dollar, your hundreds of dollars, your thousands of dollars? Over the past year we seen the bottom fall out of America's banks and stock markets. Many people have seen their entire life's investments go down the drain. People have gone from being rich to being poor. The unthinkable has happened. The truth is all the stocks, bonds, land, houses, cars, boats and everything in this world is going to ultimately end up on the junk pile of the world. Everything we have is premature junk.

But, the question if want to ask you is where have you invested your soul? The Bible tells us in II Timothy 1:12 that Jesus Christ is the only safe place you can invest your soul. II Timothy 1:12 "For the which cause I also suffer these things; nevertheless I am not ashamed: for I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day". (KJV) Paul said I have committed, I have invested, I have banked everything I am or hope to be in Jesus Christ. What I am saying is that you can bank of Jesus.

Let me show your four things that Paul says about Jesus - the one thing you can always bank on.

**1. He is a Personal Christ.**

Paul said "I know whom I have believed". Paul is saying, I know Jesus personally. It is not enough to know about Jesus, but you can and must know Jesus personally. Do you know Jesus personally? Has there been a time and place where you trusted Jesus Christ as your personal Lord and Saviour?

**2. He is a Powerful Christ.**

Paul went on to say "I am persuaded that He is able". Do you believe that Jesus is able? Oh, let me say to you, Jesus Christ is able!.

**3. He is a Preserving Christ.**

Paul said "He is able to keep that which I have committed unto Him". I have a little money in the bank but I don't run down to the bank every day and ask, "Do you still have my money? Or, have you taken it out? I didn't act right today and I am afraid that you might have taken my money out. NO!!! That money would still be there! I put it in there, I have invested it. But, more certain that the security of that bank, is the trust I have invested my soul in Jesus Christ. Aren't you thankful that our salvation is not dependent upon us holding on to Christ, but rather Christ holds on to us. He is able to keep my soul!!.

**4. He is a Permanent Christ.**

Paul went on to say "he is able to keep that which I have committed unto Him against that day". Oh, listen - we don't know what this world is coming to, but we know who is coming to this world. Because I have committed my soul to Jesus, I know that I know I will be with Jesus for ever and ever.

Oh, you can bank on Jesus!!

Thank you for you continued words and letters of encouragement as I preach week after week. Two things I ask of you as you pray for me; 1. God will give me safety as I travel every week - 2. That the Hand of God will be on me as I preach. I love you all!!
