### What It Cost To Go To Hell!

A few weeks ago I heard about an evangelist who was preaching in a revival. That night he was preaching on "What The Bible Tells Us About Hell". By the way, today, it is rare to hear a preacher preach on Hell. That night there were two older teenage boys in the back of the church who were mocking the preacher. But, the preacher continued to pour his heart out for those who were lost, to not go to Hell. But those two teenage boys continued to mock him. Finally, the two got up and walked out of the church and got on their motorcycles. They went down the road and stopped at a gas station. This was a full service gas station and the attendant asked them how much gas they wanted. They answered, "Oh, just enough to go to Hell". They paid the attendant .50 cents. When they pulled out of the station, they pulled right into the path of a tractor trailer and were instantly killed. Apparently, they got exactly what they asked for when they said, "Oh, just enough to go to Hell".

Listen, it is not all of life to live, it is not all of death to die. Death is not the end of the sentence. Death is but a semicolon. You are going to exist somewhere, dateless, timeless and endless. Although your body is going to die, you will never cease to exist. Hebrews 9:27 says "And it is appointed unto men once to die, but after this the judgement". Your soul is going to exist forever - either in Heaven or in Hell. The one thing that will determine where you will spend eternity is what you do with Jesus Christ!!

This is the message that I am preaching every week across this nation to keep people out of Hell!!! Thank you for making this possible.
