September 2008

There is a need in America for people who will keep their word. Today, when a person tells you something you don't know whether to believe them or not. There was a day in America that a man's word was his bond but now people seem to take lying as a way of life. But, this is a time to have men of integrity in the pulpit, men of integrity in politics, men of integrity in business, and men of integrity in the pews. Anything that is built on a lie is going to fall.

The Bible is very clear that we are to keep our word, in Ecclesiastes 5:5 "Better is it that thou shouldest now vow, than that thou shouldest vow and not pay"(KJV). Thus, when you make a commitment to the Lord, live up to it. .

Let me give you some vows that people make:

**Number 1:** There are marital vows. For so many today, their vows mean nothing. I believe God is grieved by the lighthearted manner to which people stand at the altar and say I promise to take this man, I take this woman until death do us part.

**Number 2:** There are vows we make to God when we get into trouble. They promise God if you will get me out of this mess I am in, I will be in church every time the doors are open.. I will get this sin out of my life and, I will put Christ first in my life.

**Number 3:** There are impulse vows. These are vows that are made suddenly. Maybe you buy something on installment, you sign your name on a contract that you are going to pay your debt. But then you forget about it.

**Number 4:** There are vows which we make at special services at church. We come to the altar and make commitments to Christ. Then a month or two later we forget about it. But God has not forgotten it!!

We are to keep our word and our vows. Perhaps you have made some promises to God. Now is the time to start living up to these promises.
