Dear Fellow Pastor:

Since 1983, I have served as a Southern Baptist pastor. Throughout my ministry I have invited God-called evangelists to preach in the churches where I have served and have witnessed wonderful results. I believe in the New Testament office of evangelist (Ephesians 4:11). These men have a special anointing from God to lead people to Christ both individually and from the pulpit.

Dr. Don Whitt is a New Testament evangelist. When he served as a pastor, he was a personal soul-winner and also led many people to Christ through his preaching ministry. He has also served as the Evangelism Director of one of our Baptist state conventions. He is a man of God, a great preacher and a trusted friend.

If you desire to utilize a God-called evangelist in your church, in an area-wide crusade, or in some other evangelistic venue, prayerfully consider contacting Don Whitt. I know that you'll be glad you did!

A Statement from Don Whitt's Pastor

"In a day when full-time vocational evangelists are becoming fewer in number, our Lord has chosen to bless the ministry of Dr. Don Whitt in remarkable ways. Bro. Don schedules well over forty meetings a year. It seems that evangelists are often lured to facets of ministry that have little to do with evangelistic preaching. Indeed, Don Whitt is a strong gospel preacher. He has a unique capacity to "draw the net." Dr. Whitt's convictational preaching will melt the hardest heart. As our staff evangelist, Bro. Don has trained our entire church in the value of personally sharing the gospel. Don has graciously and willingly served West Jackson Baptist Church every time he is asked. Don and Judy are faithful attendees, givers and supporters to the pastor. I am confident Dr. Don Whitt will bless your church."

What others are saying about

Don Whitt

"Don Whitt is an extremely effective evangelist with an unbelievable heart for lost people. He has a unique ability, not only in preaching the Gospel, but especially in drawing the net both in the local churches he pastured as well as in revival meetings. Sunday after Sunday, he always gleans a harvest because of the blessing of God on his ministry. I recommend him wholeheartedly and without any reservation to all of my pastor brothers."

Former SBC President

"It gives me great joy to recommend Don Whitt to you as a Harvest Evangelist. I have had the pleasure of knowing Don from many vantage points; as friend, church member, State Evangelism Director, and most recently as Harvest Evangelist.

Our Annual Sportsman Extravaganza recently attracted over 3,000 outdoorsmen from throughout the metropolitan Columbus area. I prayed for the Father's leadership in finding a man who could deliver the gospel with the accuracy of an expert marksman. But skills alone would not get the job done if the man couldn't "set the hook" and "reel-in" the lost man. Don was the perfect match and he shot a "bulls-eye" during our harvest time. Many lives were changed for eternity. I will not hesitate to have Don back to Jersey again. If you are in need of a Harvest Evangelist with a heart for the lost and a submissive heart to a local pastors authority, Don Whitt will hit the mark."

"It is a joy to recommend Dr. Don Whitt for area wide crusades, revivals and Bible conferences. Don has been with us at The Church at Quail Creek. His ministry yielded many coming to know Christ and we have invited him back. Don has the gift of "drawing the net," and his messages are Bible-based, spirit-led, and relevant to our day."

Dr Stan Coffey
Senior Pastor
The Church at Quail Creek

"We are living in a day where pure evangelists are hard to find. One of the tragedies of our day, also, is the shortage of soul-winning meetings. God has called Dr. Don Whitt into this ministry. I know him well and have worked with him often. I have no hesitancy to not only recommend him, but to urge you to have such a meeting and use Dr. Whitt."
