FEBRUARY 2016 NEWSLETTER

## My First Book Is Hot Off The Press

This month my first book is available and I would like to share some excerpts from the book, "Doing the Work of the Evangelist". The following is from the Introduction:

"The Apostle Paul exhorted us in II Timothy 4:5 "Do the work of an evangelist." In this book, "Doing the Work of the Evangelist" I am sharing how I have been seeking to fulfill the call as an evangelist through the years. These are sermons I have preached for over the last thirty years across the nation and around the world. I have seen literally thousands respond to the call of God as I preached these sermons.

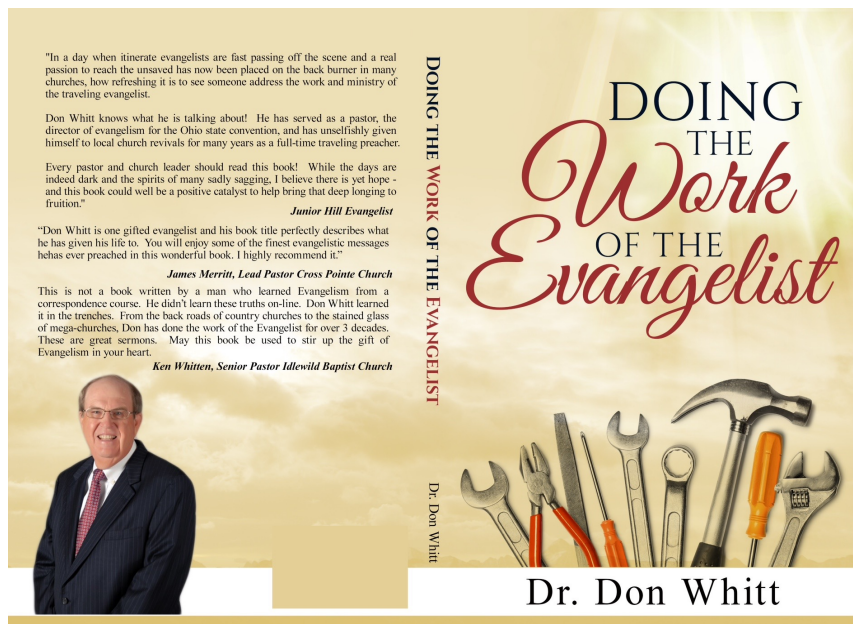

Most sermon books are written to be published as a book. But, these sermons are the transcriptions of the messages as they were preached in church revivals and in area wide crusades. I trust that you will be able to catch something of the spirit, the excitement, the conviction, and the movement of God as they were being preached." . . . . "You may ask, why have you put these sermons in a book? Here are the three main reasons:

1. Lost People Will Be Saved - I trust as people who are not saved read these messages, that they will come to Christ in salvation.
2. Saved People Will Be Encouraged - As a Christian, I want you to be encouraged to do the work of the Evangelist, that is to be a soul-winner.
3. Preachers Will Preach These Sermons - Preacher, you have my permission to use anything you find in this book, as the Spirit of God makes it real in your life."

I am very thankful to my pastor, Dr. Steve Gaines, who has been a great encouragement to me during this process and who wrote the Forward for the book. Here are some statements he made:

"The Lord has give special men to the church to reap a spiritual harvest. In the New Testament, they are called "evangelists." The Apostle Paul writes, " And He gave some as apostles, and some as prophets, and SOME AS EVANGELISTS, and some as pastors and teachers, for the equipping of the saints for the work of service, to the building up of the body of Christ." Ephesians 4:11-12. . . . I have know Don for over three decades. I have preached in his churches when he was an evangelistic pastor, and he has preached in mine. When he asked me to serve on his ministry's board, I immediately said, "Yes!" I believe in him. I pray for him and support his ministry financially. I know him to be a Godly man, a praying man, a church man, a family man, and above all, a soul-winning man. I love him. I preached at his wife's funeral. I know his three sons, all of whom love Jesus and have families that love Jesus. He is a man of God who has "done it right." . . . . "I have heard Don preach several of these sermons. A sermon is always better heard than read. However, like the sermons of Charles Spurgeon, when I read these sermons, I hear the voice of our Savior, Jesus, saying, "Come unto Me all who are weary and heavy laden, and I will give your rest!" . . . . These words are not from the cold, removed study of an armchair theologian who rarely, if ever engages lost people with the Gospel. Rather, these messages are straight from a red-hot pulpit, from the heart and lips of a man on fire for God! The same fire that burned in the prophet Jeremiah's heart burns in Don's. When you read these sermons, you will feel that Holy Ghost heat. Read these sermons and be blessed. Share them with others, especially your lost loved ones. As you do, you too will be, "Doing the Work of the Evangelist!"

You can purchase the book from us for \$15.00 plus \$2.00 shipping or on our website for \$15.00 plus shipping. It will be available on Amazon for \$20.00 and on [CreateSpace.com](http://CreateSpace.com) for \$20.00. May you be blessed as you read and share "Doing the Work of the Evangelist."
