Judith (Judy) Ruth Whitt
November 11, 1949 - February 10, 2015

My wife, Judith (Judy) Ruth Whitt passed away on February 10, 2015. She had a glioblastoma (malignant brain tumor) removed at M. D. Anderson Hospital in Houston, Texas over ten months ago. Then she underwent six weeks of chemotherapy and radiation treatment. The day after she finished those treatments, her colon perforated. For the next seven months, she was either in the hospital or in a rehabilitation center. She was never able to come home.

Her suffering was tremendous, but now she will suffer no more because she is with the Lord. I know she has been completely healed now that she is in heaven with her Lord. I miss her greatly as she is the love of my life. My heart is broken with her absence but one day I will see her again in heaven. When Dr. Vance Havner was asked about losing his wife, he responded by saying, "You cannot lose someone when you know where they are."

Judy was saved when she was twelve years old. She was an L.P.N. We were married when we both were twenty years old. For the next forty four years, she was the very best life mate a man could ever have. She encouraged me, prayed for me and supported me as I preached the Gospel. God blessed us with three great sons, great daughters-in-law and seven beautiful grandchildren. What a blessed man I am!

I want to thank all of you for all your words of encouragement, prayers and all who sat with her hour after hour.

I have given myself afresh to go as never before to preach the Gospel to as many as I can. My desire is to win as many as I can to Christ. I believe Judy is in the cheering section in heaven telling me to keep on keeping on, preaching the Gospel. Again, thank you for all your prayers, support and encouragement as I carry out God's call on my life.
