JULY 2015 NEWSLETTER

I just want to say THANK YOU for all of your prayers and support for our mission trip to Ethiopia. God blessed during the trip way beyond our expectations as we saw over 4600 precious people come to know the Lord. The following is what Dr. Jerry Spencer shared about the mission and ministry in Ethiopia:

"I'd like to thank Evangelist Don Whitt for his remarkable ministry in Ethiopia. His being on our Team is a fantastic blessing. Don is gifted and anointed. His presentation of the Gospel is clear and complete. His presentation is no easy believism but a call for repentance and the placing of Faith in Christ!

It is amazing to watch the power of God fall upon the people listening to his anointed message. There is deep conviction and illumination. As God opened the heart of Lydia in Acts 16. He opens these hearts of these Ethiopians as they hear the liberating Truth of the Gospel. I'm impressed too by the tenacity of this man of God. The trips out into the villages and market places is not a piece of cake or a walk in the park. This is difficult travel over rugged roads. Driving up to a market place where people are gathered and just getting out of the van, facing the crowd, and begin preaching takes boldness. Day after day and time after time in one village after another Don and his friends, layman Bill Anderson and Atlanta businessman Charles Johnson, faithfully stood, often against opposition, and boldly declared the Good News of The Lord Jesus Christ. Over 4,600 responded over the several days they went out into towns and villages out from Hiwassee, Ethiopia. I'm fascinated at Don's single hearted Passion for preaching the straight forward Word of God. I've never know a man who so radically loved to preach

HEARING THE GOSPEL, COMING TO CHRIST! Ethiopian people making their public confession of faith after praying to receive Christ. The interpreter is leading them in a declaration of their new faith. "Jesus Christ defeats sin... Jesus Christ defeats death... Jesus Christ defeats Hell... and Jesus Christ defeats Satan! Jesus Christ overcomes Sin! Death! Hell! Satan! Jesus Christ was yesterday. Jesus Christ is today! Jesus Christ is Forever more!" "Jesus is my God

and see people SAVED. Thanks Don for your Spirit filled compassion to see the lost miss HELL, embrace the ABUNDANT Life in CHRIST and Spend eternity in HEAVEN! I'm praying for you as you plan bringing a dynamic team to Ethiopia the last week of May and the first week of June 2016. May God lead you in selecting your team. May He provide ALL the funds needed to finance this trip! I anticipate THOUSANDS to be saved in this country where the Harvest Fires are burning! This is the TIME for AFRICA! May All arrangements be under God's direction. In FAITH we agree together and pray that any satanic opposition to God's Divine Operation will be absolutely defeated in JESUS NAME. Thanks Don.. Thanks for GOING where the LOST are without HOPE in JESUS!

I wanted to share the story of a Muslim woman who was converted to Christianity. Her family kicked her out of her home. Later that night the Village People where she lived kicked her out of the village to be killed by the wild hyenas. As she was surrounded by the hyenas she cried out to Jesus and she said with great joy that the hyenas scattered... now she's living for Jesus outside of Awaasa Ethiopia. She bakes bread to sell in the market place to provide for her family. In the picture is her little boy and husband. He is a tailor. They have moved often because of the Muslim harassment when she tells her testimony. Her sister and brother also in picture have now come to Christ and live with them in a 6 x to 12 hand made hut. In her hand is her Bible which she carries with her.
