UPDATE ON JUDY WHITE: Judy's health continues to be a roller coaster. Since the last newsletter, Judy has been in the ER with seizures and low blood requiring transfusions, and then back to the Transitional Care Center. Today, as I type this newsletter, Judy is back in ICU at Jackson General with fluid in her lungs, oxygen and blood pressure extremely low.

Bro. Don continues to hold meetings and preach the gospel. This past weekend, for example, he preached at a Wild Game Supper in Waynesboro, TN, with several hundred men attending. He was called at 1 AM, left to go back to Jackson as Judy was being carried back to the hospital. At around 5 AM, he drove back to Waynesboro to preach on Sunday morning. In the two services there were 28 decisions for salvation. After the morning service, he was called and Judy had been admitted back in the ICU and he drove back to Jackson. He has a full schedule for the next few months as you can see from the schedule below.

Please continue to pray for Judy and for Bro. Don as he continues to minister to her and to preach the gospel. We see God at work in the hearts and lives of people. But we also see how satan tries to halt God's work and the spreading of the Good News of the gospel. Please intercede for them to the Father, for complete healing for Judy and for strength and direction for Bro. Don.

Proverbs 1:7-The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction. The fear of the Lord is the attitude of heart that the children of God should have toward their heavenly Father. While perfectly at home in His presence and trusting Him reverently, they realize His greatness and stand in awe of Him. Such fear produces a hatred of evil as well as a love of God (Proverbs 8:13). It leads to such conduct as will honor the Lord (Proverbs 19:23). It is the beginning or foundation of all of man's learning.
