January 2014 Newsletter

Are you a MVC?

Peyton Manning, the quarterback for the Denver Broncos, will without doubt be the MVP (Most Valuable Player) of the NFL in 2013. But who is the MVC (Most Valuable Christian) for a Revival or Harvest Day event? Most would say it is the evangelist or the pastor. But I believe the MVC for a Revival or Harvest Day event is the Christian who bathes the event in prayer and brings lost people to the event. People have asked me how to have a successful harvest event. I have always said the two things that must happen are: (1) Bathe the event in prayer, (2) Get lost people there to the event.

In the preparation manual on my website (donwhitt.org), I share several ideas on how to do this. More important than being a MVP is to be a MVC. Will you take the challenge to be a MVC?

Dr. Stan Coffee dies

Dr. Stan Coffee, pastor of The Church of Quail Creek, in Amarillo, Texas died on December 26, 2013. Brother Stan served as pastor of Quail Creek for 35 years. During that period over 10,000 were baptized into that church. He also served as one of the board members of my evangelistic association. Brother Stan was one of my closest friends and a strong supporter of my ministry. He was a great pastor, preacher and soul winner. He will be missed but our loss is heavens gain. Our prayers are for his wife, Glenda, family members and the people of Quail Creek Church.

The Importance Of 1

What difference does 1 person make.
God knows that 1 person is important.
Just think about these people in the Bible:

The woman caught in adultery
The thief on the cross
The Ethiopian eunuch
Paul
The woman with the issue of blood
The man possessed with demons
John the Baptist
Peter
And many others in the Bible

*You may have asked yourself, "What difference does it make if I invite 1 person to Church, or witness to 1 person, or invite 1 person to the Revival Service?" Well, let me state again, God knows the importance of 1 person.
Do you?*
