“That I may know Him and the power of His resurrection, and the fellowship of His sufferings, being conformed to His death.” Philippians 3:10

DIVINE ENCOUNTER

A “Divine Encounter” is when the Spirit of God puts the soul winner and the sinner together at the right time, at the right place, and the right thing takes place - the sinner gets saved! Oh, I thank God for Divine Encounters!

In Acts 8 you find a Divine Encounter. Phillip is in a great revival in Samaria. But, the Angel of the Lord told Phillip to leave Samaria and go to the desert of Gaza. Phillip left that great revival and went down to Gaza. There he met the Ethiopian eunuch. The Bible says in Acts 8:35 that he “preached unto him Jesus”. Praise God the eunuch got saved!

A few weeks back, I preached a revival at the Campground Baptist Church in Somerset, Kentucky. The Lord blessed with 26 precious souls being saved. On Wednesday night 11 people came forward during the invitation to be saved. I helped with the counseling. The church had planned a meal after the service, but by the time every one had been counseled with, all of the food was gone. So we went to a restaurant to eat. By then, we were the only people in the restaurant. A young girl named Ashley was our waitress. When we were finished eating I asked her if she went to church and she replied no. So I asked her, did she know for sure that if she died tonight would she go to heaven. She replied that she did not know that. I then asked her if I could share with her how she could know for sure that she would go to heaven and she said yes. So I went through the Gospel with her. She began to weep. I was able to lead her to Christ. She was gloriously saved. Now, I am not a hugger, but she literally jumped over the table and began to hug me, and jump up and down rejoicing. Then I shared with her that what had happened to her was a “Divine Encounter”. I was supposed to have eaten at church but they were out of food. I did not know where we were going to eat, but the Lord led us to Ruby Tuesday and to a young lady named Ashley, who was gloriously saved.

There are “Divine Encounters” out there. May we be obedient to the Lord to take advantage of them!
