UPDATE!

Evangelist Dr. Don Whitt asked me to help him with this month's Newsletter. First, let me bring you up to date on what's going on with his wife, Judy.

On July 29, she had her last chemo treatment in Memphis. It was a long and tiresome 6 week ordeal. She was very weak and had other health problems. Then the next night, July 30, she was rushed to the Jackson Madison County Hospital in Jackson, Tennessee. She was bleeding and the doctors performed emergency surgery for a perforated colon. She was put in ICU and the incision was left open. She also was put on a ventilator with 100% oxygen. She developed an infection.

The doctors told Bro. Don that she was very sick and since she had taken chemo, she had nothing to fight with. They said that hopes for her recovery was not good. I know that many of you have been praying for her and we say, "Thank You!"

On Tuesday, August 5, the doctor cleaned out and closed the incision. This will be a very long process. Here is what YOU need to do.

1. Fast and pray for the complete healing of Judy Whitt - it will take a miracle.
2. Pray for the mental, emotional, physical and ministry strength for Evangelist Don Whitt.

As you can imagine, the stress has been great on Bro. Don. He has been going back and forth each day to the hospital to see Judy during visitation hours. He has had to cancel some meetings and reschedule others. This week (I'm writing this on Tuesday, August 12), he has been in revival in Grenada, Mississippi, which is about 3 1/2 hours from his home. He preached Sunday morning and God blessed with 27 people being saved. He drove back home and the Pastor preached Sunday night. Yesterday, again he went by car and preached and came back home so he could visit with Judy today.

This is taking a toll on him and I ask you again to fast and pray for him and Judy.

3. Also, if you have been thinking about giving to the Don Whitt Evangelistic Association, pray about doing it now. Your help is needed now. If you are a Pastor, maybe you could take a Sunday Evening offering or take to your missions committee. The ministry really needs your help at this time. Pray about what God would have you do. If we all do something, then all the needs will be met.

I know Bro. Don will appreciate your prayers. If you are praying for him and Judy, email him at don@donwhitt.org and tell him. Also, give him a word of encouragement.

He is doing what God has called him to do and we need to stand by him during this time. Thank you for reading this article and for obeying the Lord in whatever way you can be of help. God bless you.
