## THERE IS STILL HOPE FOR AMERICA

The Bible says in Psalm 9:17 "The wicked shall be turned into hell, and all the nations that forget God." What a picture of the United States today! We live in a nation where anything and everything goes. We live in a nation where immorality is running rampant. We live in a nation where our children are being taught in school that premarital sex is alright, where the Bible has been taken out of school, and prayer is not allowed. We live in a nation that says homosexuality is an inherited lifestyle. But the Word of God says that homosexuality is a chosen sinful lifestyle. We live in a nation where over 50% of marriages end up in a divorce. It is almost as easy to get a divorce as picking up today's newspaper. We live in a nation where the victim is arrested for protecting himself and the criminal is set free. We live in a nation where Hollywood flushes its toilets into our living rooms. Night after night they are spewing their smut with sex and cursing and violence into our homes. We live in a nation where if you break an eagle's egg, they will fine you \$5,000 because they say there is a little eaglet in there. Yet we pay doctors in their abortion clinics to murder unborn babies. We live in a nation which says it is alright to drink your alcohol, to gamble, to have your affairs. Then we say, "God Bless America." I believe it is time to say, "America Bless God!!"

The only hope for America is God. But, at the same time the greatest threat to America is God. Unless America repents and comes back to God, we face the certain judgement of God.

You say, "Brother Don, do you believe there is still hope for America?" Yes, Yes, Yes!! Let me give you three statements that describe where our hope is to be found.

1. We must fall on our face and cry out to God as our only hope.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." II Chronicles 7:14

2. Ask God to give us Godly leaders.

"When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn." Proverbs 29:2

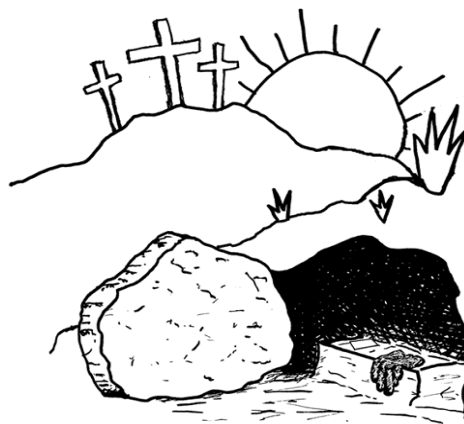

3. Lets put evangelism on the front burner of our churches.

The solution for the problems in America is not to be found in Washington, but will be found as God gives individuals new hearts, one at a time. That is where each one of us gets in on God's plan. Share Christ, be a soul winner. "The fruit of the righteous is a tree of life; and he that winneth souls is wise." Proverbs 11:30

That is my take on "There Is Still Hope for America!"
