WHICH ROAD WILL YOU CHOSE?

In Matthew 7: 13-14 Jesus tells us that we have to choose which road we will travel. "Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it." Did you know there are over 4 million miles of road ways in the United States? There are a lot of drivers out there today. Someone said there are only two types of drivers - the quick and the dead. Someone said it seems like a lot of drivers have more horse power than horse sense. But Jesus applies this truth to life and eternity.

There is a Decision You Must Make! Jesus says that people have to make the decisions which road they want to travel on. Of course, all of us are on the road of life. Every single person is traveling through this world on the road of life. We are on a road that leads somewhere. Either you are on the road that leads to heaven or you are on the road that leads to hell.

So, you have a decision you have to make. You say, "I just won't make a decision." Then you already have. Every single person is born walking on that wrong road that leads to destruction.

- It is wide
- It is broad
- It is full of people all going in the same, wrong direction.

There is a Destination You Will Meet! You see every road leads somewhere. The narrow road leads to life - heaven. The broad road leads to destruction - hell.

If you travel this life on the wrong road, if you die in your sins without choosing Jesus, the Bible says there is a horrible, terrible, flaming place of eternal torment called hell waiting for you at your final destination.

That is the reason I am writing this message to warn you to get off the wrong road. There is a narrow way that leads to life. Jesus said this about Himself in John 14:6, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." You say "That sure is narrow-minded! That sure sounds exclusive." It sure is and it sure does, but it is exactly what Jesus says. Jesus said, "Don't walk that wide road to death and destruction. Don't go down that road that leads to hell. No!! Take the narrow road, trust Christ to save you!!"

Let me ask, have you made that decision? Have you chosen the Narrow Gate? Have you repented of your sins and trusted Christ as your Savior and Lord? If not let me encourage you to do that today!!

This is the message that I am preaching week after week across this nation. Please continue to pray that the hand of the Lord will be on me as I travel and preach.
