June 2017 Newsletter

I join with the Apostle Paul in 1 Corinthians 15:57, "But thanks be to God, which giveth us the victory through our Lord Jesus Christ." As I write this I am still in Ethiopia on a mission trip. Thus far we have seen 17,186 precious souls trust Jesus Christ as their Lord and Savior. If only one soul had been saved it would have been worth it all. The van driver that drove us around who we led to Christ made the trip worth it all. But thanks be unto God who gives exceeding abundantly above what we think or ask.

Over the past two weeks our team has been preaching daily on the streets, in market places, and villages in Ethiopia. When we would start preaching a crowd of 100 to 500 would gather to hear the Gospel of Jesus Christ. We held an pastor's conference for about 120 pastors and a women's conference for about 80 women. Also, we had the privilege of going into a women's prison and a men's prison. Three hundred of the prisoners came to Christ. Then every night we went into different churches across the city of Awassa, Ethiopia where there is a population of 1.2 million. Also this past weekend I preached in two crusades where there were over 5,000 in one and over 7,000 in the other.

Tomorrow I will go into Sudan with 3 other members of our team to preach in crusades and lead in pastor's conference. We are expecting God to do a great work.

All of this is taking place because many of you have given financially and have prayed for our ministry. This could not happen without your support!! THANK YOU! THANK YOU! THANK YOU! for all you do for this ministry. I love you!!

I will be back to the United States late night on June 15. Then on June 17 I pick up my schedule of preaching revivals/crusades in the states.
