July 2017 Newsletter

It was a great blessing to preach and minister in Ethiopia and Sudan last month but it is also good to be back home in America. The total count of people who trusted Christ in Ethiopia and Sudan was at least 18,931. There is a great verse in Psalm 68:31 which says, "Ethiopia shall soon stretch out her hands unto God." As a result of that I believe God is stretching out His hand upon Ethiopia. The Holy Spirit is blowing through the regions of Awassa, Ethiopia with a wind of harvest of souls!! I have never seen anything like what God is doing there in all of my life. After leaving Ethiopia, three of us were blessed to fly to Asosa, Ethiopia, on the border of Sudan and preach in a crusade there and then to go into Sudan to preach in a refugee camp. There were over 100,000 people in the camp and we preached and ministered there for two days. Many accepted Christ. "To God be the glory!!"

Then in Acts 8, God told the deacon Philip to leave a great revival in Samaria to go to the desert of Gaza. There God has an Ethiopian sitting in a chariot ready to hear the message of Jesus Christ. Philip preached to him Jesus. That Ethiopian was gloriously saved. Tradition says that he went back to Ethiopia with the Gospel of Jesus Christ.

It may be that you will never go to Ethiopia to preach like I had the privilege to do but I wonder, does the Lord have an "Ethiopian" present in your home, a husband, a wife, a son, a daughter, a brother, a sister that needs Jesus. I wonder does the Lord have an Ethiopian person in your community that needs Jesus. If you cannot go to Ethiopia, then go where you can and tell them about Jesus!!

I love you!! Thank you for making it possible for me to go week after week preaching the Gospel. Continue to pray that God will bless me with good health, safety and anointing to preach in all the revivals/crusades as God opens doors. (By the way I have seen over 100 people saved in the 3 revivals since returning home from Ethiopia.)
