LOST IN THE HOUSE

In Luke 15, Jesus tells us about lost things. There was a sheep that was lost in the wilderness. There was a coin that was lost in the house. There was a son that was lost in the far country. There was an animal that was lost. There was an object that was lost. There was a person that was lost.

I want you to look at the coin that was lost. Jesus tells us about it in Luke 15:8-10. "Either what woman having ten pieces of silver, if she lose one piece, doth not light a candle, and sweep the house, and seek diligently till she find it? And when she hath found it, she calleth her friends and her neighbours together, saying, "Rejoice with me; for I have found the piece which I had lost." Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth." The coin was lost in the house. I believe there are multitudes of people who are lost in the house. They are lost in the Baptist house. They are lost in the Methodist house. They are lost in the Presbyterian house. They are lost in the Assembly of God house. They are lost in the Catholic house. They are lost right in the church house. Church membership without salvation is like a trap door to hell!

A couple of weeks ago I was leaving church after the morning worship service. As I was walking down the hall there was a custodian picking up a trash bag. I asked him if he was having a good day. Then I asked him how long he had been working at the church. He said three or four months. I asked if he was a member of that church. He said no, he was a member of another church. Then I asked him if he knew if he were to die that he would go to heaven. He said no, though he was saved when he was 11 or 12 years old, but he did not know that he would go to heaven. I asked if he would like to know when he died he would go to heaven. He said he did want to know that. I shared the gospel with him and called upon the Lord to save him. Then I shared I John 5:13, "These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God." He signed his name on that verse and put that day's date next to it. As I started to walk away, he said to me, "Sir, thank you for caring enough to tell me about Jesus."

He was lost working right in the church house, but thank God, he got saved!! How many are lost right in the house, the church house that need to be saved?!? Let's tell everyone we meet about Jesus!!
